Note for DCI

25X1A

25X1A 2. Attached is the package which [] has put together. He and I and [] went over it this morning, and even though the brief has been postponed, I thought you would want to review this material to see if it satisfactorily answers your questions and/or whether this material raises additional questions you would like to have answered.

25X1A

25X1A 3. Based on our discussion I added a couple of notes on some of the charts which [] had prepared.
